AMENDMENT

This amendment is submitted in response to a non-final first office action in the above case dated June 14, 2007 ("Office Action") in which the Examiner found that claims 7, 11, 19, 23, 26, 33, and 37 would be allowed if rewritten in independent form and rejected claims 1-6, 8-10, 12-28, 20-22, 24, 25, 27-34, 34-36, and 38 as anticipated (35 U.S.C. §102) by cited art. On August 20, 2007, the attorney for Applicants and the Examiner held a phone interview discussing the rejection. The Examiner agreed that the claims distinguish over the cited art for the reasons Applicants presented in the Interview Request Form dated August 17, 2007, which Applicants submit herewith. The Examiner said he would update his search. Applicants present herein the arguments from the submitted Interview Request Form of August 17, 2007 and submit that all pending claims 1-38 are patentable over the cited art and in condition for allowance for the reasons discussed herein.

Amendments to the Claims are reflected in the listing of claims which begins on page 2.
Remarks/Arguments begin on page 10.
